PRE-OWNED PACKAGING MACHINERY AND IDLE ASSET SALES ON EPS WEBSITE!!

EPS assists clients with idle assets and huge savings with pre-owned equipment.

Equipment offered by EPS has been inspected, reconditioned or is provided with a warranty in some cases. Top quality used systems is our goal.

If you are sitting on idle assets, give EPS an opportunity to market this to the industry and bring capital back in to your company.

Asset Valuation • Consignment Sales • Rentals
